Re: C00145862
July Quarterly Report (4/13/06-06/30/06)

Dear Ms. Palmer:

Pursuant to your letter dated August 11, 2006, we respond as follows: Our committee makes a best effort attempt to obtain the occupation and employer information in three ways. Initially, all solicitations for contributions state clearly and in bold letters that people who contribute \$200 or more during an election year must provide their occupation and employer information. If they fail to do so with their contribution, we then send out a seperate request along with a form and a postage paid envelope to submit the information. If this fails, we then attempt contact via telephone or email if that contact information is available to us. Lastly, if all other attempts have failed, we access various websites that offer search engines for donor names and information.

Thank you for your assistance with this matter.

Sincerely,
Curtis L. Coonrod, Treasurer
Dan Burton for Congress Committee
